WORK / RELEVANT EXPERIENCE

LEADERSHIP & VOLUNTEER

New Summit College

- Collaborated with a team of select students to organize Techtrix- 2023, a massive, annual tech event of our college
- Organized and Managed the Inter College CSIT & BCA Basketball Cup
- Coordinated and Planned the New Summit Sports Week for both the Bachelors and the High School students.

ACADEMIC & PERSONAL PROJECTS

- Developed an attendance management website using HTML, CSS, JavaScript, Bootstrap, JQuery, and MySQL; led a team of two developers to meet project deadlines and deliver a fully functional application.
- Researched, presented & created an AI chatbot called "नानी- chatbot" which functioned as a helper for government related works
- Created a number of personal projects readily available in GitHub

INTERESTS AND HOBBIES

- Outdoor activities like trekking, hiking and gardening
- Reading and researching on topics that pique my interest
- Cooking and Baking
- Any sports (football, b-ball, tennis, badminton...) spikes my dopamine
